

## About Chancellor University

Chancellor University (formerly named Myers University and Dyke College), is the second oldest business school in the U.S. and offers educational opportunities to a multi-national student body, which includes first-generation college students and working adults. Chancellor University provides opportunities to earn associate, bachelor, and master degrees in business and select professional fields, including accounting, corporate management, criminal justice, finance, health-services management, human resources management, small business entrepreneurship, marketing, paralegal, and public administration.

Chancellor University has a rich and deep heritage, having graduated several titans of business, including John D. Rockefeller, Sr., founder of the Standard Oil Company; Harvey Firestone, founder of Firestone Tire & Rubber; Theodore Ernst, founder of Ernst & Young; and leading Cleveland businessman and philanthropist David N. Myers.

The school's website is [www.ChancellorU.edu](http://www.ChancellorU.edu).

In 2009, the Jack Welch Management Institute ([www.JWMI.com](http://www.JWMI.com)) at Chancellor University was launched to provide a unique business education experience featuring the direct involvement of Jack Welch. JWMI currently is offering both an MBA and MMG degrees. Jack Welch was CEO of GE for 20 years, and, with his wife, Suzy, is a columnist for *BusinessWeek*. They are the authors of the bestselling business book, *Winning*.

## **Have you made payment arrangements?**

As you prepare to start classes here at Chancellor University and the Jack Welch Management Institute, it's important that you have made the necessary arrangements to pay your tuition. If you are unable to make payment arrangements you may be dropped from your courses.

Here are your available options:

### **Sallie Mae Payment Plans**

Sallie Mae payment plans allow you to make manageable payments on your tuition throughout the semester.

Register early and you will have up to 5 payment options.

There is only a payment application fee of \$30 to get started with Sallie Mae.

To start a payment plan or find more information, go to [www.TuitionPay.SallieMae.com/ChancellorU](http://www.TuitionPay.SallieMae.com/ChancellorU).

### **Federal Financial Aid**

First step apply online for aid at [www.FAFSA.ed.gov](http://www.FAFSA.ed.gov) and enter our school code, 003043.

Make sure that you have completed your Master Promissory Note (MPN) and Entrance Interview (EI).

Call our Financial Aid Office at 1-866-998-8828 or email [FinancialAid@ChancellorU.edu](mailto:FinancialAid@ChancellorU.edu) to check on your status and answer your questions.

You will need to be registered for at least 6 credit hours or two classes to qualify for financial aid loans.

### **Corporate Tuition Assistance**

Find out if your employer offers a Corporate Tuition Assistance program.

If they do, contact the Business Office at 1-866-998-8828 to receive the paperwork you need, or go online to [www.ChancellorU.edu/BusinessOffice](http://www.ChancellorU.edu/BusinessOffice).

Once you fill out the paperwork with your employer, you may be eligible for our indirect pay plan which allows you to defer your payment for your courses up until 30 days after the semester ends. The other option we have is the direct pay plan in which your company pays us directly.

### **Military Benefits**

Our trained staff will process any military tuition assistance or veteran affairs benefits you receive.

You may also be eligible for indirect pay if you fill out the paperwork required with your commander. This will allow you to have time to receive your military benefits.

Contact the Business Office at 1-866-998-8828 to receive the paperwork you need, or go online to [www.ChancellorU.edu/BusinessOffice](http://www.ChancellorU.edu/BusinessOffice).

Make sure you're ready to start classes with all of your payment arrangements completed.

### **Let us know how we can help!**

We look forward to helping you throughout your education.
